

KEEP YOUR CUSTOMERS MOVING, EVEN WHEN THEIR VEHICLES CAN'T.

WHY CHOOSE ONE NEXUS DRIVE?

- **Customer Loyalty, Delivered:** Turn vehicle issues into opportunities for exceptional service. Meet and exceed customer expectations with seamless courtesy vehicle solutions.
- **Stand-Out Experience:** Provide replacement vehicles that match the quality and standards your customers expect – quickly, efficiently, and stress-free.

TWO POWERFUL SOLUTIONS, ONE SEAMLESS EXPERIENCE

DRIVE SaaS

A cloud-based platform for dealerships and OEMs:

- Consistent dealer approach across the network
- Real-time warranty management and compliance
- Integrated with reservations, data extraction, and accounting

DRIVE Operations

Let us handle the logistics:

- Customer liaison and vehicle supply
- Insurance and statutory compliance
- Dedicated call centre support

WHAT MAKES DRIVE DIFFERENT?

- **End-to-End Management:** From arranging replacement vehicles to handling payments and compliance, One Nexus streamlines the entire process.
- **AI-Driven Efficiency:** Advanced technology and a dedicated team ensure fast, accurate service.
- **Flexible Support:** Whether using your own courtesy vehicles or third-party suppliers, DRIVE adapts to your needs.
- **Financial Support:** Facilitate direct payments to customers when vehicle hire isn't required.

THE RESULT

A New Era of Efficiency and Customer Satisfaction

- Reduce admin burdens
- Enhance the customer journey during repairs or warranty claims
- Build long-term trust and advocacy

Join us in delivering a world-class customer experience.
